BAN Board Seeking Committee Members

As many of you know, Broken Arrow Neighbors is governed by a board of directors who typically meet on a monthly basis to support and oversee the management of the agency. Within the Board are committees – External, Governance and Internal. External focuses on fundraising, public relations and branding; Governance is responsible for board development, policy & procedures and strategic planning and Internal supports finance, investments, facilities and personnel. Each committee has a chair and board members serve on at least one committee. Most committees meet monthly and have standing days/times.

In addition to board members serving on committees, it is also possible for interested parties to serve that are NOT board members. Meaning, you would attend the monthly committee meeting, follow through on any tasks assigned/accepted and report back to your committee chair. This is a wonderful way to further engage with Broken Arrow Neighbors. If this is something that peaks your interest, please connect with me and let's discuss in more detail. I can be reached via email at kgoddard@baneighbors.org or my direct office number is 918.505.7419.

I know there are many of you who have a wealth of knowledge in specific areas or just enormous passion for Broken Arrow Neighbors. Whatever it is that drives you to be involved, please consider exploring this opportunity. I look forward to hearing from you!

Thank you, Kim Goddard
